

# EDGE 3

The Edge 3 is the culmination of 8 years of product improvement and innovation. Upgraded SRS (Smooth Ride Suspension) provides a smooth, comfortable ride and advanced stability. Optional iLevel® is available at 4.5 mph with up to 12" of power adjustable seat height. Standard features include LED fender lights, a USB charger, and drive wheel colour accents. The Edge 3 is available in a total of 14 colour options, including seven brand-new, bold colours.

## UNIQUE TECHNOLOGY

to the industry.

12" iLevel™ | SRS Suspension | TB3® Seating System  
Q-Logic 3 with Bluetooth | TB3 Flip-up armrests

## QUANTUM

Dedicated to revolutionizing the power chair experience.

(Version 1: September 2018)

## SRS suspension

A smoother ride experience. SRS technology is automotive-grade, dampened suspension making for a more comfortable ride.

## 55 Ah Batteries

More miles per charge! 55 Ah batteries allow for increased range, for the most active user. Easy access through front shroud.

## New Colours

8 new bold colours to select from including our new carbon fibre shrouds.

## Turning Radius

Access smaller spaces easier with a tight turning radius of 20.5" (52.07 cm)

## Motor Package

2-Pole advanced responsive motors. 4 Mph or 6 Mph motor option  
Accu-trac motor option delivering enhanced traction and tracking

## Measurements

14" Drive wheel, 6" low impact solid castor wheels front and rear.  
Length: 32.23" (Without legrests) | Width: 24.4" |  
Ground clearance: 2.7"

## Seating Solutions

### TB-Flex (Coming Soon)

- 15" x 12" to 21" x 20" seat size options
- Visco padded or tension adjustable backrest options
- Cost effective power options
- Durable and easily adjustable
- Easy centre of gravity adjustment
- Accepts a wide variety of after market seats and backs

### TRU-Balance® 3 Seating

- 12" x 12" to 22" x 22" seat size options
- Comprehensive range of power options
- Available with 12" iLevel Seat elevation
- Accepts a wide variety of after market seats and backs
- Endomorph and mesomorph seating, allows for independent adjustment of seat width and backrest width
- Premium accessories available

Power Options

**TRU-Balance® 3 Power Tilt**

- 0-50° of tilt
- Lower standard seat-to-floor height
- Easy adjustment and durability
- Maintains centre of gravity shift

**TRU-Balance® 3 Power Recline**

- 85° - 175° of recline
- Adjustable shear reduction
- Compatible with after-market backrest interface

**Powered Elevating leg rests**

- Articulating foot platform
- Articulating swing-away leg rests
- Can be operated in conjunction with TB3 recline

**12" iLevel™ Power Adjustable Seat Lift**

- Lower standard seat-to-floor height
- iLevel™ allows 12" of seat elevation while at a speed of up to 4.5 mph.
- iLevel is retrofittable on the Edge 3

Additional Features

**TRU-Balance® 3 Cantilever Flip-up armrests**

- Quick height adjustment
- Can be internally or externally rotated for optimal positioning
- Multiple armrest pad options

**TRU-Balance® 3 Centre mount foot platform**

- Fixed or powered articulating
- Modular footplate extension kits
- Multi-adjustable calf pads
- Paediatric & adult footplate options

**Swing-away legrests**

- 60° - 90° standard swing-away
- Paediatric & adult footplate options
- Powered Articulating options
- Manual elevating

**Attendant/Dual control options**
